## DO YOU HAVE A VIOLATION HISTORY

### 32B-5-203 Commission and department duties before issuing a retail license.

*... Before issuing a retail license, the commission shall consider operational factors such as considering the person's ability to manage and operate a retail license and consider any other factor the commission considers necessary.*

The commission and department are required, before issuing a retail license, to conduct an investigation as to whether a retail license should be issued. The commission has determined that one of those factors that will affect their decision to grant a license is whether or not an applicant has had a violation history. Commission policy states:

- Any applicant who has had a violation history will NOT be considered for a new license for THREE MONTHS after the final commission order for any serious or grave violations.
- All applicants with a violation of serious or grave in the last four months to a year will be required to appear before the commission to address whether a new license should be granted.
- The commission will consider the number of violations and all mitigating and aggravating factors in determining when, if at all, to grant a license.
- For the purpose of this policy, violation history applies to all licenses where there is common ownership of 20% or more.
- DABS staff has been instructed to inform applicants with a pending violation or a violation history in the last three months to apply *after* the prescribed periods.

### Please check with DABS to determine if or when a violation was adjudicated

## How to Write Your

# RESPONSIBLE ALCOHOL SERVICE PLAN – (RASP)

A “Responsible Alcohol Service Plan” (RASP) must be submitted as a requirement of DABS licensing and renewal.

## What is a RASP?

A RASP is a written set of policies and procedures that outlines measures to prevent employees from:

- a. Over-serving alcoholic beverages to customers.
- b. Serving alcoholic beverages to customers who are actually, apparently, or obviously intoxicated, and
- c. Serving alcoholic beverages to minors.

Every business is different, such as more or fewer employees, size of the business, amount of alcohol sales, restaurants versus bars or bowling centers, etc. So each RASP should reflect the best possible way for your business to succeed in “Responsible Alcohol Service”. Take each point separately and decide:

1. How will our business prevent overservice of alcohol?”
  2. How will we prevent not serving someone who is already intoxicated?
  3. How will we prevent our servers from ever serving anyone under the age of 21?
- Put some time and thought into your RASP.
  - Make certain that your employees are aware of your particular RASP procedures, be trained on them, and follow them.
  - A copy of your RASP will be kept on file with DABS.
  - You can write a new RASP plan as circumstances change or new information is added.
  - These plans will be required annually, and compliance officers will check to make sure they are being implemented at your business.
  - Send any new plans to DABS as well as re-train your employees.

## REQUIRED MANAGER TRAINING CLASSES

An on-premise manager includes owners, assistant managers, supervisors, team leads, etc. if they meet the definition above. These managers shall complete their training within:

- 30 days post-hire, or
- The date the licensee obtains the retail license

All off-premise beer managers shall complete their training within:

- 30 days post-hire, or
- 30 days after licensee obtains their OP license

Conditional applicants may not receive or begin operations until they have the managers trained. Training classes will be conducted by the DABS in person or classes can be taken online. The cost is \$25 per manager. Visit our website for training days and times at: <https://abs.utah.gov/licenses-permits/training/>

**NOTE!** 🖱️ . . . **ANY NEW MANAGER** being added to your license must complete the manager training program. If they are an on-premise retail license manager, they also must have their background check completed within 30 days of hire as a manager.
