However, nothing in this section prevents the director from considering the proximity of an educational, religious, or recreational facility, or any other relevant factor in deciding whether to issue an event permit.

CONTROL MEASURES:

Sufficient control measures to prevent sales to minors and over-consumption are required for all events:

A - All events. Control measures outlined in Rule are required for all events to employ adequate measures to prevent minors' access to alcohol and over-consumption. The director, after reviewing the facts and circumstances of a particular public event, may at their discretion, relax some of the control measures outlined, or require more control measures. Review the control measures carefully, and affirm the measures you will have in place by checking each box and answering the questions as required in the application. To request a waiver of any control measure, the applicant must provide enough other control measures to compensate.

B - Large Scale. It is necessary to have added control measures for large-scale public events when the estimated attendance is in excess of 1,000 people or an for an outdoor public event. These types of events must comply with the extra control measures to minimize the risk of minors being sold or furnished alcohol or adults being over-served alcohol at the event. Again, the director, after reviewing the facts and circumstances of a particular outdoor or large-scale public event, may at their discretion, relax some of the control measures outlined, or require more control measures. Review the control measures carefully and affirm the measures you will have in place by checking each box and answering the questions as required in the application. To request a waiver of any control measure, the applicant must provide enough other control measures to compensate.

FLOOR PLAN:

The floor plan should be drawn on 8 ½ x 11-inch paper (preferably) outlining the entire premises or landscape of the event. The floor plan shall include all entry and exit points, proof of age locations, and (if outdoors) a well-defined, properly secured perimeter including type and height of fencing or natural barriers (i.e. rivers, lakes, ravines, etc.) delineating the event. Include all the control measures from the application i.e. posted security, food sales, beer garden, etc. An Additional attached summary is fine, if necessary, to explain the control measures for the event.

ATTESTATION:

Each Statement on the application will need to be initialed indicating that the applicant has read and agreed to each statement.

- Consent is given that authorized representatives of the commission, department, or any law enforcement officers will have unrestricted right to enter the premises during the event; and
- That the person signing this application is authorized to act on behalf of the applicant. The information contained in this application is true and correct;
- No minor is a partner or managing agent of the applicant partnership; a managing agent, officer, director, or stockholder who holds at least 20% of the total issued and outstanding stock of the applicant; or a manager or member who owns at least 20% of the applicant limited liability company;
- No person in the alcoholic beverage industry (winery, brewery, distillery, importer, supplier, wholesaler, bottler, or warehouse) holds a partial interest in the ownership of the retail business or in the real or personal property owned, occupied, or used by the applicant in the conduct of the applicant's business.
- No gambling or any other violation of law or ordinance will be allowed on the premises serviced by the single event permittee;
- The applicant does not and will not discriminate against persons on the basis of race, color, sex, religion, ancestry, or national origin at the event;
- He/she has read and will abide by the provisions of the relevant parts of Utah Code, and all Rules of the Commission and directives of the Department of Alcoholic Beverage Services; and understands that failure to adhere thereto or to no longer possess the qualifications of a single event permittee may result in immediate suspension and/or revocation of the permit and forfeiture of the compliance bond;
- Under 32B-1-304, no person who has been convicted of a felony within the past seven years; two or more convictions of driving under the influence of alcohol or drugs within the past five years; or any crime involving the sale, manufacture, distribution, warehousing, adulteration, or transportation of alcoholic beverages, or involving moral turpitude for the past four years may apply for or be granted a single event permit. The applicant does not have any of the foregoing disqualifying convictions.

OTHER DOCUMENTS IN THE APPLICATION:

Third-Party Liability Agreement

The statute requires the applicant to post a cash or surety bond payable to the department. However, the bond may be posted by a third person other than the applicant, and the 'third-party' consents to the use of their \$500 for the purpose of acquiring a temporary event permit for the applicant. The \$500 check or cash is left on deposit with the department for a minimum of 30 days following the event. The bond may be forfeited if the permit is revoked or the department may make a claim against a bond posted by an event permittee for money owed to the department under this title without the commission first revoking the event permit.

Financial Information / Cash Bond Refund

A financial summary of the event must be submitted to the department. Without this form returned to the DABS the applicant will not be able to obtain another event permit.

You must also return this form if you want to request a refund of the cash bond on deposit with DABS. You may also leave the bond on file with DABS if you plan other events in the future. All refund requests are referred to the accounting division. Normal refund processing times vary from 30 to 45 days pending a review of a potential claim on the cash bond. All refunds are remitted to the entity or individual submitting the cash bond. The refund form may be submitted by mail or faxed to the DABS.
