SALES TAX INFORMATION FOR SINGLE EVENT PERMIT HOLDERS

The prices of liquor, wine, and heavy beer at the liquor stores and package agencies do not include sales tax. The sales tax will be added at the cash register when members of the general public shop in a liquor store or package agency and bring their purchases to the cash register. Permit holders that make purchases at the cash register will be charged sales tax just like the general public.

Single event permit holders may be able to purchase liquor from the department without paying the sales tax under these two conditions:

a. The permit holder must file tax commission form TC-721 with the DABS. A copy of this form is included in this application packet. Once filed, the permit holder can buy liquor, wine, and heavy beer exempt from sales tax at any DABS owned and operated state liquor store. If the permit holder buys from a local package agency that is a “contracted store” (not owned or operated by the DABS), the licensee has to file form TC-721 with the package agency in order to be able to purchase "sales tax-exempt"; and

b. The permit holder must adhere to the liquor order procedures established by the DABS commission as follows:

i. Commission rule requires that orders must be placed in advance to allow department personnel sufficient time to assemble the order. The order shall include the business name of the permit holder, department permit number, and list the products ordered specifying each product by code number and quantity. The order may be telephoned or faxed to the store or agency.

ii. The permit holder shall allow at least four hours for department personnel to assemble the order for pick-up. When the order is complete, the permit holder will be notified by phone and given the total cost of the order. The permit holder may pay for the product with cash, company check, cashier’s check, or debit card with a PIN.
