Wine, flavored malt beverages, and heavy beer may be sold on weekdays from 11:30 a.m. until 11:59 p.m. On a weekend, a state or federal holiday, or for a private event, alcohol may be served beginning at 10:30 a.m. Beer may be sold during the same hours as other alcoholic beverages, but unlike other types of alcohol, beer may be served until 12:59 a.m.

NOTE: Wine, flavored malt beverages, and heavy beer must remain locked at times when alcohol sales are not permitted. However, the licensee may open the storage area during hours otherwise prohibited for the limited purpose of inventory, restocking, repair, and cleaning.

TEMPORARY CLOSURE OF MORE THAN 10 DAYS

You **MUST** notify your Compliance Specialist in writing if you are going to be closed for more than 10 days. Emergency closures may be granted by telephone. NOT DOING SO is an automatic forfeiture of the retail license. Failure to RE-OPEN by the approval date also results in automatic forfeiture.

RECORDKEEPING

Restaurants are required to keep current, detailed quarterly records for expenses and sales of alcohol and food and are required to **maintain at least 70% of their total business from the sale of food**, which does not include a service charge.

Expensive wines in excess of \$175 per bottle or \$30 a glass are not included in calculating the food to alcohol ratio.

Licensees who drop lower than 70% of food sales for any quarterly period may be put on probationary status. During the next quarterly period, food sales will be closely monitored by their Compliance Specialist. Failure of the licensee to provide satisfactory proof of the required food percentage may have their license revoked by the DABS Commission.

Licensees who are substantially lower than 70%, or who have repeatedly been on a probationary status in the past, however, may be required to immediately come before the Commission and show why they should keep their license. Licensees shall maintain records for at least three years. **Remember, falsifying records is illegal.**

CAREFUL! Restaurant licensees whose food sales drop lower than 70% may have their license REVOKED.

ALCOHOL STORAGE

Alcohol may only be stored in a designated place approved by DABS on the initial application floorplan.

- Any changes in a storage area **must first be approved** by DABS.
- Storage or dispensing systems located at a patron's table are prohibited.

- Hospitality amenity
- Beer recreational
- Banquet

These licenses may not operate in the same room, at the same time, on the same day. However, they may share a kitchen, including a pathway necessary to transport alcohol with other sublicenses or license types if they are owned by the same person or entity.

All requirements for each license type must be satisfied. It also requires that a sign be posted in a conspicuous location at the entrance stating what type of license is currently operating in that space. The sign must measure at least 8 ½ by 11 inches.

SHARED DINING

Restaurant licensees may share a dining area under certain conditions. However, the licensees still must meet the operational requirements for each license type. This means:

- The dining area must be on an approved floor plan.
- Limited restaurants may only share a dining space with a limited restaurant.
- The premises of each restaurant must “stand alone” and be completely independent of each other. They may not share bathrooms, kitchens, or any other space. This law expressly states that ONLY the dining area may be shared.
- Each restaurant must be able to keep independent records, check identification, and be able to watch and control the patron’s consumption independently from the other restaurants.

Caution: You must be able to control the dining area to prevent any violations!

NO BROWN-BAGGING – WINE EXCEPTION

Patrons may not bring in or store spirituous liquor, heavy beer, or beer on the premises of the restaurant. However, at the licensee's discretion, a patron may bring in bottled wine for consumption on the premises.

- Wine brought in must be immediately delivered to a server or an employee of the restaurant.
- A wine service may then be performed, and patrons may serve themselves or others at the table.
- A patron may leave with their unfinished bottle of wine as long as it has been recorked by the server.
- Wine purchased by a patron from the restaurant may also be stored in approved wine lockers provided by the restaurant. Only servers may access the wine locker for the patron.

NOTE: An open container primarily used for drinking purposes and containing an alcoholic beverage, may not be removed from the restaurant premises.

FOODSERVICE REQUIREMENTS

Patrons may only purchase alcoholic beverages after they have been seated at a table, counter, or bar in the dining or dispensing area of the restaurant where food is served. The server must also verbally verify the patron has the intent to dine.

However, if a patron is temporarily seated at a counter or in the bar and is waiting to be seated in the dining area:

- The patron may only be served one (1) single serving of an alcoholic beverage.
- If the patron has not finished their alcoholic beverage when a table becomes available, a server must carry the alcoholic beverage for the patron to their awaiting table in the dining area.
- The licensee must confirm that the patron intends to purchase and consume food at the same location where the patron is to be permanently seated.
- The server must make a beverage tab for each table or group that orders or consumes an alcoholic beverage on the premises.
- Alcoholic beverages must be sold, served, and delivered to a patron by a properly trained alcohol server.

Patrons must be seated at a table, counter, or bar to consume alcohol, and servers must confirm that the patron intends to dine at the restaurant.

NOTE: There is no alcohol service allowed in the waiting area.

ALCOHOL DISPENSING AREAS AND THE FLOORPLAN

Visible storage and dispensing in the bar area is allowed in restaurants under certain conditions and restrictions. Licensees may choose to have a visible bar area or choose to have storage and dispensing areas that are not visible.

The dispensing area of a restaurant is where alcoholic beverages are prepared. If the dispensing is visible, it includes both the bar structure and the seating area around the bar for those who are 21 years and older. There are three types of possible alcohol dispensing areas in a restaurant or a combination of any of the following:

- Back Room – Out of Sight
- Bar with 10' Buffer Zone
- Bar with 5' Buffer Zone and a Pony Wall

The floorplan for a visible dispensing area or the bar area must be either:

- a. An area within 10 feet of the outside edge of the bar structure.
- b. An area within 5 feet from the outside edge of the bar structure if a permanent physical barrier has been installed, such as a pony wall or rail. The barrier must measure at least 42 inches tall

Licensees who do not currently have a visible bar may request one, but any changes must first be approved by DABS.

ID SCANNERS ARE REQUIRED FOR THE BAR AREA

An ID scanner (electronic age verification device) is required if there is seating available in the bar. Servers must electronically verify age with the scanner when anyone who appears to be 35 years of age or younger orders an alcoholic beverage.

The main dining area outside the bar does not require the use of a scanner. Those restaurants that choose to only have backroom dispensing are not required to have an ID scanner.

Restaurant licensees must be able to keep, read, print, or download 7 days' worth of data in the ID scanners and no more. Employees should have the knowledge and capability to produce the data upon request of a peace officer or an authorized representative of the DABS.

More information on scanners may be viewed on our website or can be found in the TOPICS LIBRARY under Licensee Support.

The DABS does not provide a list of approved scanners, but they are available from multiple manufacturers and vendors. However, any ID scanner selected must meet legal requirements.

MINOR PATRONS

Minors may not sit, remain, or be served food or beverages within the dispensing area of a restaurant.

Remember, the DISPENSING AREA is any area within 10 feet of a bar structure, or 5 feet if the bar is separated by a rail or pony wall at least 42" tall.

**NO MINORS MAY BE
SEATED IN THE
DISPENSING AREA
OF A RESTAURANT**

Minors may momentarily pass through a dispensing area en route to an area of the establishment in which the minor is permitted to be (i.e. restrooms) only if there is no other way.

Grandfathered bars (those who had a bar structure as of May 11, 2009) have an exception until July 1, 2022. A minor may not sit, remain, or consume food or beverages within 10 feet of a grandfathered bar structure, unless

- a. seating within 10 feet of the grandfathered bar structure is the only seating available in the licensed premises, but never at the bar structure, and
- b. the minor is accompanied by an individual who is 21 years of age or older.

EMPLOYEES

- Any employee who sells, serves, dispenses, or handles alcohol must be twenty-one years of age or older.
- Servers of alcohol must wear a unique identification badge showing the employee's first name, initials, or a number assigned by the employer and must be worn above the waist.
- Employees may not consume or be under the influence of alcoholic beverages while on duty.

NOTE: EMPLOYEES CAN BE FINED FOR VIOLATIONS

The commission is authorized to assess an administrative fine against an officer, employee, or agent of a licensee for a violation of the alcoholic beverage laws.

PLEASE BE CAREFUL - off-duty owners or employees who have been drinking must not step back in and perform any on-duty type functions.

MINOR EMPLOYEES

- Minors may be employed by a restaurant, but may not take the order for, dispense, or serve alcoholic beverages, or handle the alcoholic beverages except where expressly allowed.
- Minor employees may be in the dispensing area when the restaurant is closed if they are performing maintenance and cleaning services, but may not handle the alcohol.
- Minors who are at least 16 years of age may ring up the sale of alcoholic beverages at a cash register or other point of sale system. However, remember, they cannot take the order, handle, or serve it.
- Alcohol-trained servers over 21 years of age must take the alcohol order.
- Minors who are at least 16 years old may bus alcohol and alcohol containers from the tables, including tables from the adult dispensing area during working hours. Younger minors are prohibited from doing so.

- Alcohol advertising by the restaurant must comply with the legal requirements which may be viewed on our website at abs.utah.gov.

PRICE LISTS

An alcoholic beverage menu with prices is required. The menu may be listed on the food menu or a separate alcoholic beverage menu and may be located on the patron's table or readily available.

DISCOUNTING PRACTICES PROHIBITED

A restaurant licensee or employee may not purchase an alcoholic beverage for a patron nor "comp" alcoholic beverages for patrons for any reason.

BAD CHECKS

The DABS may immediately suspend the license if it receives a bad check as payment for alcohol, licensing or bond fees, fines and costs for violations, etc. A fee will be assessed for a bad check.

PROHIBITED CONDUCT

- **LEWD ACTS**, attire, and sexually-oriented conduct of employees and entertainers that are considered contrary to public welfare and morals are prohibited on the premises.
- **GAMBLING** – NO paying to play a game of chance to win money or a prize. Licensees may not engage in or permit any form of gambling on its premises including contests or gaming schemes that require risking something of value for a chance of a return - including raffles, bingo, poker, etc.
- **ILLEGAL DRUGS** or drug paraphernalia - A retail licensee may not knowingly allow a person on the licensed premises to sell, distribute, possess, or use a controlled substance or use, deliver, or possess with the intent to deliver drug paraphernalia.

ANY CHANGE OF OWNERSHIP

Any change of ownership must be reported immediately to the licensee's DABS Compliance Specialist. It would be better to call ahead and discuss any ownership changes before doing so as some small changes can be done internally and others must go through a license transfer process and be approved by the commission.
