

Spring 2026 Product Listing Cycle Results

The Utah Department of Alcoholic Beverage Services (DABS) has completed the Spring 2026 product listing review. This cycle evaluated targeted categories with the goal of maintaining a balanced assortment, improving category performance, and creating space for innovation and new variety.

The attached pages include the complete list of products approved for listing and products identified for delisting.

Categories Evaluated

This cycle focused on the following categories:

- Beer
- Cider
- Ready-to-Drink Cocktails (RTDs)
- Soju
- Vodka
- Small Size Spirits
- Domestic White Wine
- International White Wine
- 1500ml White Wine
- Wine Small Package Formats

Listing Cycle Results

Category	Submissions	New Listings	Delistings	Priority
Beer	50	20	27	Refresh/Contract
Cider	27	9	4	Refresh/Expand
RTDs	196	25	10	Refresh/Expand
Soju	37	8	0	Expand
Vodka	51	22	23	Refresh/Contract
Small Size Spirits	53	6	2	Refresh/Expand
Domestic White Wine	205	28	25	Refresh
International White Wine	348	35	22	Refresh
White Wine Magnum	4	3	6	Refresh/Contract
Small Size Wine	56	19	2	Refresh/Expand

Delisting Implementation

Products scheduled for delisting have been transitioned to delisted status. Existing inventory will be managed to allow sell-through while making space for incoming items. Delisted items may remain available in stores until existing inventory is depleted.

New Listing Distribution

New products are being entered into our systems and initial orders are being placed, with a goal to have these items arriving in stores beginning in May.
